

# Cyrano's Café

## COVID-19 Health & Safety Measures

### Staff:

- All staff members will be provided face masks on a daily basis and will be required to wear them at all times when in the building.
- Upon arrival to work all staff members are screened for symptoms of Covid-19. Anyone exhibiting symptoms or with possible exposure to an infection source will not be permitted to work until cleared under CDC guidelines.
- Routine hand-washing and sanitizing will be performed by all staff members between tasks and on a regularly observed schedule.

### Guests:

- All guests are asked to wear face masks while entering, exiting, using the restroom and at all other times when they are not seated at their table. Masks are provided for guests that request them. Single use paper bags in which to store masks while dining are available upon request.
- Any guest displaying symptoms of Covid-19 or who has had contact with a possible infection source in the last 14 days is asked to stay home or opt for curbside pick up.

### Service:

- Our dining room will remain at 50% capacity or less, with all tables arranged 6 feet apart to allow for social distancing. Our patio has also been arranged with tables 6 feet apart.
- The bar is currently closed due to social distancing restrictions.
- We are accepting both reservations and walk-in seating. Party size is limited to 6 guests. Parties of up to 10 people may be accommodated at certain times with prior arrangement through a manager.
- Condiments such as salt, pepper and sugar will no longer be available on the tables. Please request single use packets of these items from your server.
- Tables will not be pre-set with silverware and napkins. Pre-made silverware and linen napkin roll ups will be brought to your table by the host or server.
- Checks presenters will no longer be used.
- Checks will be presented with a QR code on the bottom for those wishing to use contactless payment. Physical credit cards and cash are still accepted.

### Sanitization:

- Hand sanitizing stations are available for guests at each entrance/exit and at the entrance to the restroom hallway.
- Employee hand sanitizing stations are located at each computer terminal, bussing station, bar, host stand and food service area. All staff members are required to sanitize hands or change gloves between tasks and wash their hands at least every 30 minutes.
- Our restrooms have been updated with touchless faucets, touchless soap dispensers, touchless paper towel dispensers and elbow pulls on the doors.
- Doors will be propped open wherever possible to allow for no-touch entrances and exits.
- All tables and chairs will be thoroughly sanitized after each use
- All menus and pens will be sanitized after each use.
- High-touch surfaces, such as door handles and countertops, will be sanitized at least every hour.
